

The New Mexico Department of Transportation
and the Federal Highway Administration
announce a
PUBLIC MEETING
regarding the

U.S. Department
of Transportation
**Federal Highway
Administration**

**NM 26, NM 185, and NM 187
Hatch Pavement Preservation and
Sidewalk Improvements Project**
Project and Control # 1101110

August 22, 2017
6:00pm – 7:30pm
Village of Hatch
Community Center
837 W. Hall Street

PURPOSE OF THE MEETING:

The New Mexico Department of Transportation (NMDOT) and the Federal Highway Administration are sponsoring an open house and public meeting to present the NM 26, NM 185, and NM 187 Hatch Pavement Preservation and Sidewalk Improvements Project. Residents, landowners, businesses, and all interested parties are encouraged to attend and provide their comments, concerns, and suggestions regarding the project.

MEETING OVERVIEW:

The NMDOT and project team members are requesting input on preliminary designs for the project. Preliminary designs will be presented, including pavement mill and inlay and pedestrian facilities. Sidewalks and ramps will be updated and improved where feasible, considering American's Disabilities Act (ADA) requirements. Environmental studies will be presented, including natural and cultural resources. Light refreshments will be served.

If you are unable to attend, comments can be mailed, faxed, or emailed to Hilary Brinegar, Marron and Associates, PO Box 2049, Las Cruces, NM 88004, (575) 618-7351, or hilary@marroninc.com. Special needs or accommodations for individuals with disabilities will be provided upon request if received at least 48 hours in advance of the meeting by calling Hilary Brinegar at (575) 618-7351.
